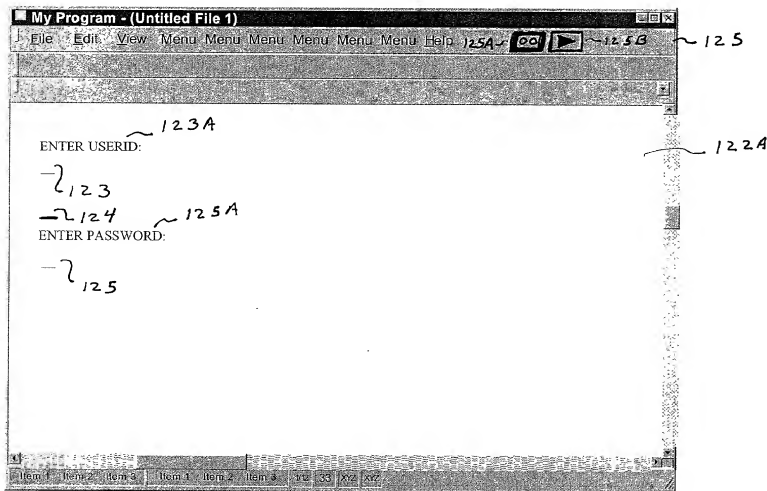

FIG. 2A  
(Prior Art)

FIG. 2B is a schematic diagram of a user interface form. It consists of a rectangular frame containing several elements. At the top is a large rectangular box labeled "TEXT". Below this box is a dashed rectangular area containing two smaller square boxes. The left square box is labeled "YES" and contains a solid black circle. The right square box is labeled "NO" and is empty. Below the dashed area is a rounded rectangular button labeled "NEXT". Handwritten annotations include "134C" pointing to the "YES" box, "134A" pointing to the "NO" box, "134B" pointing to the dashed area, and "134D" pointing to the "NEXT" button.

FIG. 2B

FIG. 2C is a schematic diagram of a user interface form. It consists of a rectangular frame containing several elements. At the top is a large rectangular box labeled "TEXT". Below this box is a dashed rectangular area. Inside this dashed area, on the left, are two stacked rectangular boxes labeled "Row" and "Column". To the right of these is a rectangular box labeled "Current". Below the dashed area is a rectangular box labeled "user ID". Below the "user ID" box is a rounded rectangular button labeled "NEXT". Handwritten annotations include "138A" pointing to the "TEXT" box, "138B" pointing to the dashed area, "138C" pointing to the "Current" box, "138E" pointing to the "user ID" box, and "138D" pointing to the "NEXT" button.
